## **News Release**

For Immediate Release: September 28, 2020

### **Water conservation request for Hanapepe-Ele'ele customers on Sept. 29 from 8 a.m. to 4 p.m.**

HANAPEPE– The Department of Water (DOW) has issued a water conservation request for Hanapepe and Ele'ele customers on Tuesday, September 29, 2020 from 8 a.m. to 4 p.m. Customers are advised to minimize water use to essential needs only; such as: drinking, cooking and sanitation purposes, in order to avoid a water service outage in the system.

The water conservation request is in place to maintain water storage tank levels and service for the Hanapepe-Ele'ele water system, during the scheduled water system improvement work in Hanapepe town.

Water conservation measures include: turning off appliances and plumbing fixtures that automatically draw water; such as ice machines and irrigation systems and refrain from car washing.

For more information please call the Department of Water at 245-5461 or to monitor water service updates online, visit [www.facebook.com/KauaiDOW](https://www.facebook.com/KauaiDOW).
